the community as having such a disability, and whose disability has substantially limited his or her ability to engage in competitive business.

B. Bidder's Action

1. The bidder shall seek commitments from minority business enterprises by subcontracting and/or procurement of materials and/or services, the combined value of which equals or exceeds the established Contract goal of 25 percent of the total value of the prime Contract. The Authority has further established that, within this Contract goal, there shall be a sub-goal of a minimum of 6 percent participation by firms classified as African American-owned firms and a sub-goal of 13 percent participation by firms classified as Women-owned firms. A bidder may count toward its MBE goals expenditures for materials and supplies obtained from MBE regular dealers and/or manufactures provided that the MBE assume the actual and contractual responsibility for the provision of the materials and supplies. The bidder may count its entire expenditure to a MBE manufacturer (i.e., a supplier that produces goods from raw materials or substantially alters them before resale). The bidder may count sixty (60) percent of its expenditures to a MBE regular dealer, that is not a manufacturer, provided that the MBE supplier performs a commercially useful function in the supply process. The apparent low bidder shall submit to the Authority, within ten (10) working days after notification that it is the apparent low bidder, an acceptable Affirmative Action Plan for the utilization of Minority Business Enterprises in this Contract. The Contract will not be awarded without the bidder's Affirmative Action Plan being approved by the Authority.

The Affirmative Action Plan shall include as a minimum:

- a. The name of an employee designated as the bidder's Minority Business Liaison Officer.
- b. A complete Outreach Efforts Compliance Statement (Attachment C).
- c. A Subcontractor Project Participation Statement (Attachment D) completed and signed by the bidder and MBE for each business listed in the Schedule for Participation.
- d. When a bidder intends to attain the appropriate goal for minority business enterprise participation by use of a joint venture, the bidder shall submit a Joint Venture Disclosure Affidavit showing the extent of the MBE participation. If a bidder intends to use a joint venture as a subcontractor to meet its goal, the affidavit shall be submitted through the bidder by the proposed subcontractor and signed by all parties.

SCHEDULE OF PRICES

NOTE: This proposal shall be filled in by the bidder, with the prices written in words and numerals. The extension amounts of unit costs shall also be filled in. For complete information concerning these items, see Specifications, Special Provisions and Contract Form.
